THE late Rt. Rev. Bishop A. M. Toebbe had his life insured for \$10,000.

THE total losses by the recent Wall street failures are estimated to be \$20,-

It is predicted that there will be but few contested seats in the Republican Convention at Chicago.

The Democratic joint caucus at Baton Rouge nominated J. B. Eastis for United States Senator to succeed Senator Jones.

Manora, it is said, will manipulate the Virginia and North Carolina delegations in the Republican convention at Chicago. Work is proceeding rapidly with the railway tunnel under the Mersey. The tunnel will be three and one eighth miles in length.

At washington a bill has been reported to the House appropriating \$100,000 for the relief of autherers by the flood in the Lower Mississippl.

The Kentucky Court of Appeals has reversed judgment in the case of Joseph John, sentenced to be hung for the murder of Geo. Richards, in Logan County.

The effort will be made on Monday next to pass the bill to retire Gen. Grant under a suspension of the Grules. There will be opposition, but it will be feeble.

NEARLY all of the Virginia delegation to the Democratic convention have been interviewed. Four-fifths of them express a preference for Tilden if he is a candidate. Bayard has a few of the delegates, RECENT events seem to indicate that while Congress is placing General Grant on the retired list, it should also appoint a guardian for him. He may have been a good General and a President of ability, but he cannot take care of his money. His character as a financier is ruined.

Anova the heaviest losers by the failure of Grant & Ward is ex-Senator Chaffee, of Coloralo, father-in-law of Buck' Grant. Chaffee gave his daughter \$400,000 as bridal present, lost \$100,000 on his own speculations and deposited the remainder of his \$1,000,000 with the firm and now finds himself penniless.

The reported threatned strike of 6,000 rallroad miners in the Pittsburg district is untrue, but \$90 employed in the mines at Dubois, Pa, have strack against the screen system, and a strike 1,500 at Canton, O, seems inevitable. In fact, the strike mania seems to be spreading all over the Pennsylvania and Ohio coal fields. fields.
